PROFILE SUMMARY:

Motivated 2nd-year Software Engineering student at Daffodil International University with a CGPA of 3.34. Skilled in designing and developing responsive websites using **HTML**, **CSS**, **JavaScript**, **Tailwind**, and **SASS**. Experienced in creating user-friendly UI/UX designs with **Fig-ma**. Proficient in using **Git/Git-hub** for version control. Eager to contribute innovative solutions in web development and further enhance my skills through impactful projects.

CAREER OBJECTIVES:

To leverage my front-end development expertise in HTML, CSS, JavaScript, and modern frameworks to build intuitive, responsive, and engaging web application. As an aspiring software engineer, I aim to contribute to meaningful projects while expanding my technical knowledge and professional experience.
